

A photograph of a house entrance with a white door, a wreath, and a snow-covered ground. The door is decorated with a wreath and a red bow. The ground is covered in snow, and there are some plants and a trash can visible on the left side.

Bacon and Sausage Rolls

**16 slices of bacon
16 sausage links**

Stretch each slice of bacon with the back of a knife. Wind one slice of bacon along the length of each sausage and fasten with a wooden toothpick. Arrange the sausages on a grill rack and cook under a preheated moderate grill for about 7-8 minutes on each side.
