

## GINGERBREAD ORNAMENTS

**3/4 c. cinnamon  
1 tbsp. allspice  
2 tbsp. cloves  
1 tbsp. nutmeg  
1 c. applesauce**

**Combine first 4 ingredients and blend well. Stir in applesauce and mix well. Roll out 1/4 inch thick on ungreased cookie sheet. Cut with cookie cutters of different shapes. Put a tiny hole in top with toothpick. Let dry 4 days. Put string through hole and hang on Christmas tree. Can also make hearts for all year home ornaments. Smells wonderful.**
