

PLAY CLAY ORNAMENTS

2 c. baking soda
1 c. cornstarch
1-1/4 c. cold water

Mix soda and cornstarch together, blending well. Add the cold water and mix well until mixture is smooth. Boil for one minute until it has consistency of mashed potatoes. Stir constantly. Spoon out on a plate. Cover with a damp cloth and allow to cool. Knead dough and roll out on waxed paper. Cut out designs with a cookie cutter or shape by hand. Let dry until hardened, about 1 to 2 days. Paint ornaments with tempera or water colors. Dry well and coat with shellac or clear nail polish. Hangers may be mounted on back with glue, or pressed into dough before it dries.
